Superior General To Be On Campus Monday

Dale Wights Jockeys New Jazz History

Announcers to Receive Units

Dale Wights, prominent Bay Area radio personality, has been added to the program schedule of Station KHSM. Wights program is the "History of Jazz", presented on Monday evenings from 9:30 to 10:00 p. m. in the campus radio station studio.

Broadcasting from now until the end of the school semester Wights features the musical pieces that keynoted the rise of jazz in the United States during the past two generations.

Station manager Bob Oliver revealed that staff announcers on KHSM will receive academic recognition next semester.

"If tentative plans are approved, our staff announcers will receive public credits," he stated. KHSM has a group of announcers who put in many hours of work broadcasting each week. By receiving academic recognition for their efforts, we hope to develop and stimulate radio talent on the campus.

Frontier Day Short on 'Dust'

Clubs Panned For Disinterest

"A lack of interest on the part of the student body in general, mismanagement of concessions on the part of some organizations, and the total lack of participation on the part of five clubs in particular, are the causes of the financial "flop" of the recent carnival held in conjunction with Frontier Day on last Thursday," said Father Moss when interviewed concerning the affair.

"Inasmuch as the carnival was conducted to raise funds for charity, one would think that the response would have been better," he continued. "Whereas last year over $1,000 was raised for the Hanna Fund Drive only about $275 was realized this year."

Father Moss complimented the Sacramento Club for its efforts in staging Frontier Day. He cited the following organizations as being entirely void of school spirit inasmuch as they refused to cooperate in any way for charity namely, Block SM, IRC, Sophomores, Seniors and the Rifle Club. The Junior Class made a token effort, but failed to live up to expectations.

Two organizations lost money through woeful mismanagement, the Spanish Club and the Debate Society.

Six Clubs made money: Knights of Columbus, Eire Oge, Sanctuary Society, Dante Club, Freshmen and St. Vincent de Paul Society.

The girls from Holy Names College did their bit to aid the affair by producing Frontier Follies which netted a small sum for charity.

New Vestments For Pentecost Mass

The long anticipated set of red vestments for the Chapel was received during the past week by Father Moss, student chaplain. They will be worn for the first time on next Sunday, the Feast of Pentecost.

The vestments are a donation of Mr. Sam Kline, the custodian of the gymnasium. They were given in appreciation of the many happy days and the hours of comfort he has received while at the College.

So impressed were two members of the Guild by such generosity, that they have agreed to donate a set of green and a set of black vestments to round out the cycle of liturgical colors.

Mrs. Jess Hoeslick, a member of the St. Mary's Guild, made the vestments.

Campus Chorus Is Next Semester Plan

The Saint Mary's College Glee Club will be reorganized this coming semester, it was learned this week in a special bulletin issued to the Collegian.

According to Val McKeever, president elect, "We are interested in reviving this choral group so that those interested in expressing their vocal talents will have that opportunity."

McKeever told the press that Dr. Richardson, German instructor for the upper-division, would be the faculty moderator for the group.

McKeever also said that experience would not be a determining factor in selecting singers for the club. He asked that those interested contact Miss Marge Gloria in the telephone office.

Journalism Course Offered Next Year

New Labor, Physical Ed. Departments Will Appear

A tentative program of studies was released this week from the office of the Dean to students and faculty members.

Brother Lambert, Dean, announced that the program of studies was released ". . . primarily to give students an opportunity to formulate a schedule for next semester. . ."

Although not yet complete, the new program introduces such courses as Journalism and Physical Education. The Physical Education Department will be headed by Louis Peresyni, present athletic trainer. He received his M. A. degree in Physical Education from the University of Pittsburg.

The Journalism Department will function for both lower and upper divisions. "The director of this department," Brother Lambert said, "has not yet been selected, but Mr. Twomey, Mr. Bettencourt, or Brother Virgil will teach the courses. . ."

Another measure included the institution of a Labor Department for upper-division students. The course will run for a period of a year. "More details will follow," Brother Lambert said.

The program of studies was formulated by a faculty committee under the direction of the Dean. Those in the committee included Dr. Campbell, Dr. LeFevre, Brother Peter, Brother Jerome, Brother Virgil, Mr. Davenport, and Mr. Twomey.

The office of the Dean also announced that four new teachers would be added to the faculty. These included two Economic teachers, one Philosophy teacher, and a Spanish instructor.

The tentative program will be published for the benefit of the students in the next edition.

'Bunker Hill' Now Theater

Yale Meyer Is "Very Surprised"

"Bunker Hill is now a 400-seat auditorium!"

This statement was issued this week from the faculty office of Mr. Yale Meyer, moderator for the Drama Society, who announced that the old Navy storage building would be converted into an experimental theater.

"Through the generosity of Brother Austin," Mr. Meyer said, "we will now have a genuine auditorium. I am confident I can build one of the finest experimental theaters on the West Coast out of the present building."

It was also disclosed that not only the building was donated, but also various materials necessary for the building of a theater.

The Navy storage building will be worked on during the course of the summer, and will be completed in time for the fal semester.

Plans include the erection of three separate sets, two revolving stages, and a low-level stage.

Mr. Meyer commented on the swift turn of events which brought him a complete building in which to erect a stage. "This comes as a complete surprise," he said.

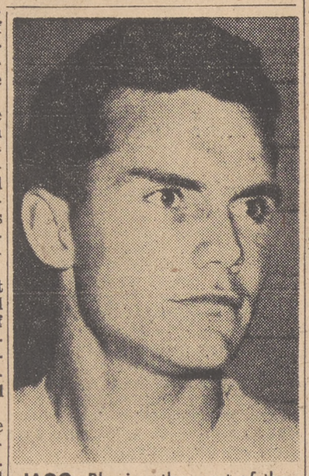

Also being rushed to completion is the "Dante Hall Theater" which will be used for radio productions, public speaking classes, and for play practice.

This theater has been under construction for the past two months in the attic of Dante Hall.

Haggerty Named Deputy Sheriff

Yuba county sheriff John R. Dower announced today that Leo F. Haggerty, 30, of Marysville, has been appointed a deputy sheriff for Yuba county, effective May 1.

Haggerty will replace temporarily Deputy Sheriff Dick Barrett, who is ill. Haggerty was graduated from Marysville Union high school, attended St. Mary's college, and served four and a half years with the Army Air Force.

IAGO—Playing the part of the conniving villain in Shakespeare's immortal Othello is Bud Gerich, upper - division English student. The play will be produced on May 28. A huge set has just been completed for the production. It occupys half of the gymnasium floor.

Mills College Graduate to Play Emilia

"Huge Set" to Be Used in "Othello"

Mrs. Kirk Miles, graduate of Mills College, will play the role of Emilia in the Saint Mary's College production Othello, it was announced by Mr. Yale Meyer, director, this week.

Although the play has been engaged in rehearsals for the past several weeks, the role Emilia was still not cast. Personal difficulties forced two other try-outs to give up the role.

Mrs. Miles, a resident of Orinda, who has been engaged in instructing dramatics at the Anna Head's School for Girls, Berkeley, has an extensive background of stage work. She has studied both Greek and Shakespearean Drama while a student at Mills College.

One of the contemporary plays with which she has been associated is "I Remember Mama."

With the role of Emilia filled, the cast of Othello is now complete, and rehearsals for the next two weeks shall be intensified in order to present to the audience the underlying greatness of this Shakespearean production, stated Mr. Meyer.

Rehearsals are now being conducted in the campus gymnasium where the play will be presented on Friday evening, May 28.

A stage crew composed of members of the dramatic society are now engaged in completing the huge set necessary for this play. Lighting effects will be handled by Chuck Evans and Rudolph Garbarini.

The admission price for this production will be 60c. Tickets will be available in the very near future.

SM Student Appointed Editor of K. C. Bulletin

Mario "Scoop" Sanguinetti, a junior student at St. Mary's, has been appointed editor of the Knights of Columbus News Bulletin of the San Francisco Chapter.

An active student at St. Mary's, having made the Honor Roll every semester, "Scoop" is at present editor of the Little City News in San Francisco.

Gael Yearbook Out May 21

Book to Include Four Sections

Published by the Associated Students of Saint Mary's College under the direction of the Junior Class, The Saint Mary's Gael Yearbook will come out on May 21 according to Walt DeFaria, Gael editor.

The last publication of this traditional volume was in 1941.

Excellent duo-toning has allowed the division into four books within the annual: "Administrations, classes, activities, and athletics." DeFaria said: "This enables us take "The Gael" through the four phases of college life." There will also be two surprise features.

There will be a banquet given on May 20 for the members of the staff, at which time the complimentary copies of the publication will be distributed.

There are only seven hundred copies in the making, and those who have not subscribed are advised to do so immediately. Unsold copies will be offered to the Alumni on Homecoming Day.

The persons responsible for these 208 pages dedicated to life at Saint Mary's College are: Walt DeFaria, editor; Robert Pringle, assistant editor; Jack Buick, sports editor; Val McKeever, business manager; Clyde Baysinger, subscription manager; Van Dunahoo, layouts; Lou Colzani and Dan Arzac, classes; Jim Sanguinetti, Karl J. Federle, Robert Whittick, Francis Zilaff, and Don Bosco.

Other men and organizations by their function are:

Studios, "Kayo" Harris photography, Jack Christensen and Don Bosco Studio; cover, Al Hackbart, Ed Fox, and Jack Christensen; art, Ed Illig, Emil Tangetti, Thomas Murphy, William Bonzzini, Tom McNamera, Sil Morando, Clarence Kline, Jack C. Rial, James Buccello; business staff, Al Ryan, Bill Kelly; Louis Desmond, John Suttlhoff, Eugene McGowan, editorial staff.

The Moderator was Brother William, who was forced by circumstances to leave the volume uncensored and unexpurgated. Subscriptions for this "red-hot" and "unabridged" publication may be obtained from Mr. Baysinger in Room 212 of the Center Dorm.

All those who owe money must pay the residual debt to Mr. Baysinger, who said "No Dough, No Book; get it?"

Assistant D. A. Talks On "The Field of Law"

That the series of Transition talks now being given to men of the upper division are proving successful, is evidenced by the large numbers attending them each Friday at 11 in Room D-114. So far four talks have been given; two more remain.

"The Field of Law" will be the subject of the talk to be given today by Mrs. Elton Lawless, assistant district attorney for the city and county of San Francisco. Mr. Lawless, an alumnus of the college, was a naval officer during the war.

The Transition talks were originally scheduled by Father Moss for seniors only, but the demand on the part of other students was so great, that no limits were set on the numbers attending.

Afternoon Tea At the Lake Sunday

A joint Tea Dance with Saint Mary's and the College of the Holy Names will be held this Sunday, May 16, in the Terrace Room of the Lake Merritt Hotel beginning at 3 p.m. and ending at 6 p.m.

Graduating Holy Names seniors felt that another social affair would be in order at this time, especially before the final examinations would begin for both institutions.

The Saint Mary's committee of one is Rod McCauley.

The Holy Names Committee is headed by student body president Barbara Haran. And others on the committee include Phyllis Stein, Wilma Gustafson, Lucille Nunes, Virginia Moran, Gerry Branick and Janis Hilken.

VISITING CAMPUS — Most Honorable Brother Athanase Emile, superior general of the Christian Brothers, who will visit the Saint Mary's campus Monday as part of his tour of the United States during the American Centenary Celebration. He will be accompanied by Brother Eliphus Victor, assistant for the United States, and Brother Alfred, provincial.

1948 Homecoming Here Sunday, May 23

According to a bulletin received from John F. Henning, secretary of the Saint Mary's Alumni Association, the annual Alumni Homecoming Day will be held on the Moraga Campus Sunday, May 23.

The day will begin with a Mass in the College Chapel starting at 9:00 a.m. and ending with a dinner at 5:30 p.m. in the student dining hall.

Immediately after Mass, breakfast will be served, at which time the Alumni will be officially welcomed back to their Alma Mater.

Following breakfast the annual meeting and educational hour will take place.

No. 1 athletic event will be a full-scale football game between competing teams of Joe Verducci's 1948 Gael Varsity. The grid battle will begin at 3:00 p.m. and will be preceded by a baseball tilt between the Phoenix and the University of San Francisco.

The following Alumni Units will be represented in events of the day: San Francisco, Eastbay, Vallejo, Northbay counties, Sacramento and Los Angeles.

The Collegian will present a six-day special Alumni Edition as souvenir of the 1948 Homecoming Day.

Senior Dinner to Be Held May 27

Plans have just been completed for the annual Senior Dinner which will be held May 27 at the Leamington Hotel in Oakland beginning at 7:00 p. m.

Under the auspices of the Alameda-Contra Costa County Unit of the Alumni Association, the dinner will be held in honor of 34 seniors. These include those who graduated last December, but who have not yet received their degree.

The Office of Public Relations announced that those Alumni wishing to attend could do so by contacting Mr. Edward McSweeny of San Francisco, president of the San Francisco Unit, or Mr. Edward Moran, president of the Contra Costa County Unit. Tickets will sell for $4.00.

A committee composed of Edward Cohn, Havelock Hunter, and Paul Mulgrew will handle speakers, publicity and correspondence respectively.

Officers To Interview Navy Flyer Prospects

A limited number of college graduates are being offered the opportunity of being commissioned as Ensigns in Naval Aviation this spring and of receiving flight training, the Navy has announced.

In order to provide full information to those who are interested, a flying team of Navy officers will visit St. Mary's College on Tuesday and Wednesday, May 18 and 19.

This is a career program in which college men with degrees who are between the ages of 18 and 25 will be taken into the Navy as commissioned officers.

Flight training will be at Pensacola, Fla., frequently referred to as the "Annapolis of the Air." This will take from 18 to 24 months after which the officer-pilots will join regular naval aviation units, shorebased and on carriers. Minimum starting pay is $290 a month, it was stated.

Details on the program will be brought to St. Mary's College by the Naval Aviation Information Team next week.

The information team, headed by Lieut. Comdr. John L. Butts, U. S. Navy, will also be available to answer questions and provide assistance in filling out applications in the administration lobby, both days.

Further information regarding this program can be obtained by contacting the Office of Naval Officer Procurement, Ferry Bldg.

SIX SOPHS VIE FOR PREXY OFFICE

With probably a greater number of sophomore candidates than there were sophs present in the meeting, the six nominees for Junior Class president gave their campaigns speeches last Wednesday noon.

A majority of the votes cast is needed to put a candidate into office. Since there are six presidential aspirants running, a runoff election will probably be held Monday.

The presidential candidates include the following: Ed Arnold, Larry Garretto, Charles Evans, Tom Storer, Bill Jefferds, and Emil Tanghetti. These men had to secure a petition of ten names before they could run for the office.

In the vice presidential race two sophs Dick Jenevein and Joe Portillo have turned on a blistering poster and card campaign.

Incumbent Yusuff Ghany faces Louis Nigro for secretary, while John Greene runs unopposed for treasurer. Four students, Bob Emmons, Bob Koslowski, Bill Slakey and Hugh Connolly seek the representative offices.

To Visit Saint Mary's As Part of U. S. Tour

Solemn Pontifical Mass To Open Christian Brother Centenary Celebration

Most Honorable Brother Althanase Emile, superior general of the Christian Brothers will visit Saint Mary's College Monday as part of his tour of the United States during the American centenary celebration.

Accompanied by Brother Eliphus Victor, assistant for the United States, and Brother Alfred, visitor, the superior general will meet Brother Austin and other college officers in the first such visit to the Moraga campus.

Brother Allais Charles, the only other superior to come to the United States, visited the "Old Brickpile" in Oakland in 1925.

A civic banquet at the Fairmont Hotel, San Francisco, will honor the Brothers and their centenary Sunday night. Speakers include Governor Earl Warren, Mayors Joseph E. Smith of Oakland, and Elmer E. Robinson of San Francisco.

The principal address will be made by Andrew F. Burke, first Collegian editor. Robert A. McAndrews is toastmaster.

A solemn Pontifical Mass will be sung at Saint Mary's Cathedral Sunday morning beginning at 10:30 a.m. The mass will be celebrated by the Rt. Rev. Monsignor Harold E. Collins. The Most Rev. John J. Mitty will pontificate.

The celebration commemorates arrival of the first Brothers in New York 100 years ago, and the first permanent establishment of the Brothers in Baltimore in 1845.

Brother Justin and seven others arrived in San Francisco in 1868, at the request of Archbishop Alemany, to take over Saint Mary's College, then on Mission Road, San Francisco. Moving to Oakland in 1889, the college occupied the "Old Brickpile" until 1928 when the present campus opened.

The Brothers' work expanded, and now eight schools are open in the province, the earliest started in 1872, the newest last year. More than 75,000 men have been trained by the Christian Brothers in California.

Saint John Baptist De La Salle, founder of the Institute of the Brothers of the Christian Schools, was born in Rheims, France, April 30, 1651. Of noble parentage, he early decided to give up the traditional legal profession of his father and to work in the church.

His ability was so great the he was named a canon of the Rheims Cathedral at the age of 16, and was ordained to the priesthood in 1678, after studying at Saint Sulpice's seminary in Paris.

His interests turning to the education of boys, he helped in the opening of a free school in Rheims by a M. Adrian Nyel.

Living with the teachers and enduring their hardships, De La Salle during the famine of 1684 gave up his canonry, distributed his wealth and instituted a definite rule and community for his band of teachers.

The first school of the new order, Saint Maurice in Rheims, opened in 1679. The Brothers' work grew rapidly during the next 40 years in spite of great opposition from the vested interests of the time.

Withdrawing from leadership in 1717, De La Salle died on Good Friday two years later. Brother Barthelmy was superior general until 1720, when Brother Timothy became the leader. Except for the founder, no member of the Institute has ever been a priest.

Canonization of De La Salle occurred in 1900 when Pope Leo XIII, named him Patron of Christian Schools, Protector of Christian Youth, and Model for Christian Professors. His feast day is May 15.

De La Salle began many educational practices now universally accepted. The normal school, the industrial, polytechnic, and reformatory schools all originate with him.

The vernacular as the foundation for instruction was a revolutionary idea in the seventeenth century, but is now unquestioned. Independence of teachers from other duties was also a De La Salle idea.

Today the Christian Brothers numbers 20,000 members and are instructing 400,000 students in the way of Christian life throughout the world.

Ex-Council Holds Final Meeting

Constitutions To Be Filed

The last Executive Council meeting, under the present administration, was held last Tuesday in the Annex. It was quiet and orderly to the point of boredom.

The question of where to file club constitutions was brought up. Emil Tangetti suggested that they be filed in the Recorder's Office. The motion was passed. It was also brought up, as a point of information, that all campus organizations must file a copy of their constitution with the Executive Council next semester, in accordance with the new constitution.

MAC NAMARA SEEKS ACTION

Tom MacNamara demanded a report from the committee appointed to audit the books and balance any financial matters. Val McKeever said action was being taken.

The matter of ticket sales was discussed and Dick Siggins was appointed to investigate the matter. He will make his report next semester.

ARZAC COMMENDED

Dan Arzac was given a vote of commendation for his excellent handling of C. I. C. affairs. Arzac then introduced a motion that a bylaw be included in the constitution through which all new officers handle their offices between the spring and fall semester. The motion was passed.

Summer Camp Offers Six Weeks of Fun

The annual Boys' Summer Camp, conducted by the Christian Brothers, will once more be held on the Saint Mary's campus beginning June 27 and ending August 8, it was announced this week from the Office of Public Relations.

Headed by Brother Bernard, the Summer Camp will accept boys between 9 and 16 years of age, and give them six weeks of relaxation and training. Some of the events being planned include swimming. hiking, tennis, football, baseball, picnics, and camp fires.

Each boy will be limited to only two weeks, in order to accommodate the large number of requests being sent to the college.

The boys will be quartered in the students' rooms, and will be supervised by Christian Brothers and Saint Mary's students. Rates for the Boys' Camp have been set at $22.50 a week.

Bus schedules have been arranged for boys desiring to attend the camp. Buses will also be scheduled to handle parents each Sunday.

Those interested contact Brother Bernard, F.S.C., Summer Camp Director, Saint Mary's College, California, Phone: Moraga 4411.

Last Intercollegiate Meet Here Tonight

Scheduled for tonight is the last meeting of the current academic year for the Catholic Intercollegiate Council. Due to commence at 7:30 p. m. at Oakland's College of the Holy Names, the most important issue to come up will be the new proposed constitution. An informal social and dance will follow the conference.

Representing Saint Mary's will be student president Frank Lazio, CIC representative Dan Arzac, and other student body, club and class officers. Louis Desmond, appointed CIC representative for next year by president-elect Val McKeever, will be introduced.

PICNIC SUCCESSFUL

A new constitution will be presented for a vote, by a committee headed by Santa Clara's Marshall Moran and Pat Hennessy. Saint Mary's will make a motion to create a committee which will obtain an audience with the Archbishop, to request a moderator for the new year.

Most recent activity of the CIC was its annual communion breakfast and first picnic day, held here last Sunday. Acclaimed a success by all those who attended, according to Dan Arzac, the affair left a lasting impression on everyone.

Sanctuary Group Picnic Big Success

The picturesque Claeys home near Martinez was the scene of the annual picnic and barbecue of the Sanctuary Society last Wednesday. Twenty-five men rode in the "Blue Goose," the St. Mary's bus, to the picnic grounds.

Mr. Linus Claeys, a classmate of Father Moss', was the host for the occasion. He broiled large thick steaks over a charcoal fire for the hungry acolytes. A real picnic lunch was provided by Mr. Danley, the school chef. This included salad, beans, relishes, pies, coffee, ice cream, French bread and delicious steaks.

IRC Tabulates Student Opinion on All Phases of Marshall Plan

All year the International Relations Club has concentrated on the Marshall Plan and its implications both in this country and abroad. To round out its program of guest speakers, the club has recently conducted a poll of student opinion on the Marshall Plan, or as it is now called, the Economic Cooperation Administration.

The idea behind this questionaire is to find out if public opinion, as represented here at Saint Mary's, is in agreement with actual governmental policy.

The main results of the poll show that students here are overwhelmingly in favor of the European aid program. They also favor the year-by-year commitment arrangement and the separate agency for administering the plan.

There were quite a number of objections made to the program. Most common among these was the fear that distribution in Europe would be bungled, that despite our good intentions the bugaboo of inefficiency would cancel everything. Then there were a few who feared that such extensive aid would result in serious internal economic difficulties. Another common objection was that the program would be useless unless it were coordinated with an all-inclusive foreign policy.

The questions with tabulated answers are given below:

1. Are you in favor of the expenditure of great amounts of American material and money to aid in European recovery, even though such expenditures will result in higher prices and, consequently, a direct sacrifice on your part?
   - YES 77%
   - NO 21%
   - DON'T KNOW 2%
2. In case such aid is granted, do you favor government control of such essential commodities as grain, steel, etc.?
   - YES 55%
   - NO 40%
   - DON'T KNOW 5%
3. Do you have any concrete objections to the plan?
   - YES 39%
   - NO 45%
   - DON'T KNOW 16%
4. Do you believe that such aid should be administered through existing agencies rather than by a newly created commission?
   - YES 31%
   - NO 65%
   - DON'T KNOW 4%
5. Are you in favor of immediate participation in such aid by Western Germany?
   - YES 81%
   - NO 15%
   - DON'T KNOW 4%
6. Do you favor a four-year commitment rather than a year-by-year arrangement?
   - YES 22%
   - NO 74%
   - DON'T KNOW 4%
7. Are you satisfied that the Western nations have demonstrated, not only their good will, but also the ability to aid themselves as in accordance with the plan?
   - YES 27%
   - NO 53%
   - DON'T KNOW 20%

This poll was prepared and tabulated for the committee of control by Don Rauber. Distribution and collection of questionaires was under the direction of Tony Poshepny.

Saint Mary's Club Notes

Saint Mary's College and the Saint Mary's Club lost one of its strongest supporters with the death of Joseph F. "Joe" Fitzgerald at Notre Dame Hospital, San Francisco, May 4, after a brief illness. A Charter Member of the Club Joe was a leader in every activity and promotion that the Club sponsored, particularly in the early days in reviving interest in baseball, outfitting the college band and in sponsoring the Spring football game. An indefatigable worker with the know how of getting things done he gave unsparingly of his time because of his genuine love for Saint Mary's College. Born in Long Island City, New York, 49 years ago, Joe came to San Francisco in 1921. He adopted Saint Mary's College, became one of its volunteer alumni because he said that it reminded him of New York's Manhattan College.

An executive of the Retail Credit Association of San Francisco, he was also a member of the Olympic Club and the Press Club.

After a Requiem High Mass at St. Mary's Cathedral the body was flown to Jackson Heights, New York, with interment in the family plot in Calvary Cemetery.

CONDOLENCES

The Club extends its deepest sympathy to Brother Angelo Depaoli on the death of his mother Mrs. Maria Depaoli; also to the wife of Director Lloyd J. Kingsley on the death of her mother, Mrs. Alice Robb.

Regular Monthly Meeting

The regular monthly meeting of the Saint Mary's Club will be held on Monday evening, May 17, at the Master Plumbers Hall, 110 Page Street, at 1:30 p. m. Nominations of the new officers and directors will be held at this meeting. Let's come out in big numbers.

HERE AND THERE

If you want to have fun and good cheer and meet many members of the Saint Mary's Club, go to HARRINGTON'S at 9 JONES STREET, San Francisco.

Past President Joseph P. McElligott will be found with the Board of Education. Joe is a busy man these days.

Past President Charles A. Pohley is with Liggett and Meyers Tobacco Co. Come on Members LET US LIGHT UP A CHESTERFIELD. A.B.C.

Past President George M. Callan is with the S & W Fine Foods along with Director Frank Canonica.

The Chinatown Squad of the S. F. Police Department is well represented in the club, with such grand members as James Cox, James I. Hickey, and John P. O'Connor. Boys get out to the next meeting.

Al Becker is on the march again with some new stories, and they will be found in the monthly issue of the Catholic Home Messenger. Last November, Al wrote the Big Story on Herman Wedemeyer in this magazine and it went over in a Big Way.

Director Joseph J. Deveney will be leaving for New York shortly. Just a little vacation for Joe and his wife.

Knights to Picnic at Justin Grove Sunday

Meeting this week to complete plans for Sunday's annual picnic, the Knights of Columbus also announced that its share in the proceeds from the recent Frontier Day celebration will go into the council's charity fund.

Postponed from an earlier date due to unfavorable weather conditions at the time, the picnic is scheduled to commence at 2 p.m. Sunday in Justin Grove. Knights are invited to bring their wives or girl friends, and the festivities will be sparked with accordion entertainment by Larry Garetto, Frank Lazio and Joe Zanetti. Outdoor dancing will last into the night.

CATHOLIC ACTION

Moving to give support to the Christopher Movement, Tom Lorenzini's Catholic Action committee will next week start the mail distribution of pamphlets. "We expect to see every knight further this good cause in all his social contacts" Lorenzini said.

Elections for the new year's officers will be held in the near future, since charter regulations state they must be held in June, Grand Knight John Coupin announced. Bill Bozzini's proposal to draft a constitution and deposit it next semester with the ASSMC secretary received general approval.

Frosh Elect '48-'49 Leaders

Bertain Chosen Next Soph Prexy

The new officers for the sophomore class of 1948-49 were elected last week in a very interesting follow-up of the student body elections. Approximately three-fifths of the freshman electorate went to the polls.

For president Joe Bertain won in a breeze. Bill McLaughlin and Bill Stevens trailed at a safe distance. The vice presidency was fairly close between Francis Sanchez and Bob Osgood, the former winning by some 20 votes. Bud Pullissier and Francis Williams also ran.

Though six men ran for representative, it developed into a very even five-way race. Ed Lammerding and Guy Gibbs tied for the two top positions, and will represent the class in the executive council next fall. But Mickey Jaccar, Pete Campagnaro and Al Johnston put up a very good fight.

Beating out his nearest rival, Paul Ascenzi, Maurice Donovan became secretary by only a few votes. Bernon Erickson ran a cool third. In a walkaway Dick Bertain took the treasury post over Bill Sammon and John Martin.

Soph Stag Picnic At Redwood Canyon

Yesterday was slated as the last day in which sophomores could sign up with class officers to attend the annual Soph Stag Picnic this May 20 in Redwood Canyon.

Preparations by different committees are nearing completion. It was announced that steaks will be served at the affair.

Herb Reynolds, sophomore president, announced that there is a charge of 50c for the picnic, and it may be given to any class officer.

Reynolds stressed that no woman would be allowed to participate in the picnic.

Girls Make Clean Sweep In Debating

Through the verbal skill of Joyce Kislitzin, Saint Brigid's High School won three first prizes at the Eleventh Annual California Catholic High School Speech Congress held here last Saturday.

The San Francisco school's three-way star took top honors for original oratory, winning the Brother Gregory Memorial Trophy; gained a medal as the best girl debater; and with Patricia McGahey, won the Harry L. Day, Sr., Memorial Trophy for the best debating team.

Sixty students from 15 schools throughout the state took part in the meet, sponsored by the college and directed by a committee under Brother Anselm. Special assistance came from Brother V. Dennis of Sacred Heart High School, San Francisco.

Brother Robert, representing the college president, gave the awards in a De La Salle lounge ceremony. He was assisted by senior APGU member Charles Rianey.

The Brother Agnon Memorial Trophy for first place in dramatic declamation went to James Brown, Bellarmine High School, San Jose. The second place gold medal was won by Louise Biancalana, Saint Vincent's High School, San Francisco. Betty Julian, Saint Peter's Girls' High School, San Francisco, won honorable mention.

Colin Chilton, Saint Joseph's High School, Alameda, won a gold medal for second place in original oratory. Honorable mention was given Marilyn Kenny, Saint Peter's Girls' High School.

Second place winners David McWhirter and Edward Malatesta of Bellarmine High School took home the Brother V. Leo Trophy for debating. The Alpha Pi Gamma Upsilon third place debating trophy went to Noel de Nevers and James Enright of Saint Ignatius High School, San Francisco. Noel also won the best boy debater's medal.

Topic for the debaters was "Resolved; that the Federal Government should require compulsory arbitration of all disputes in basic American industries."

The all-day contest brought the state's leading Catholic high school speakers together, and three preliminary rounds were needed to narrow the field. Faculty, APGU members, and other students active in college debating and oratory judged these morning trials. Faculty members decided the final afternoon contests.

Quota Filled for Moonlight Cruise

"The Senior Class moonlight cruise is all booked up!"

This was the essence of a statement issued this week by the senior committee in charge of the affair.

Henry Buckingham, spokesman for the committee, said that the moonlight cruise will have the full 150 couples aboard. "It was not very difficult to get men for this sort of an affair," he said.

The cruise will be held on the three-deck steamship S. S. Frank M. Cox, and will last from 9:00 to 12:00 p.m. During the cruise cocktails and dancing will be featured.

The price for the affair was set at $5.

The boat will load at Fisherman's Wharf in San Francisco at 8:30 p.m. and will depart at 9 p.m. sharp.

The boat will sail around the bay, and will take in such sights as the Bay Bridge, the Golden Gate Bridge, Alcatraz, Angel Island, and San Quentin.

The date set for the affair is May 21.

COLLEGIAN SPORTS

GAEL GOSSIP

By PETE PETERSEN

Collegian Sports Editor

I was rattling the doors of the rub-down room in the gym the other morning when old Sam stuck his head around a corner and shouted a "Whad ya want?"

Obviously I wanted in, but the door was locked.

"I want something that's in there," sez I.

Said Sam, "Blankety-blank guys roam around here all the time; gotta keep everything under lock and key. They (not necessarily Gaels) swipe everything they can get their hands on."

"And I can't open that door for you." So Sam got out a chain of keys and let me in.

"You say the guys are grabbing stuff that don't belong to them?" I queried.

"Blankety-blank guys swipe everything," said he, and pocketing the keys, he strolled away on the narrow end of a mop.

Now, how could Sam say that, said I, and I looked into the matter.

Seems that 300 towels have been stolen, or mislaid, or given out as gifts since last August. And it seems like one or the other gym lockers are broken into (often, however, the lockers are left open) and everything from shoelaces to shock straps are lifted.

And, brother, that doesn't go!

So, the Administration, ably prompted by Val McKeever and Fred Mullen are going to bring in a solid system of student managerial jobs next year.

The student managers will keep a close watch on all athletic equipment, and some will keep a record of what students take out, and why.

Unfortunately, many high school kids and other sundry visitors ply their way through and around the gym at various hours of the day. The gym is open all the time, although the various rooms are kept locked; but it still adds to the general confusion of keeping equipment intact.

One more word on the student managers. There will be places for guys on the baseball, football and basketball teams along with one or more in charge of all minor sports.

The ladder extends from a senior manager, who is the overseer of all, to junior, soph and frosh managers.

Credit Mullen and McKeever with getting something done about a moan!

TROPHIES AND ALUMNI HOMECOMING

Three trophies will be in use during the Red and Blue game on Sunday, May 23 (Really a Red and White game, since there's no blue jerseys.)

A passing trophy and a kicking trophy will be on the block in a half-hour contest prior to the game. Moreover, at the end of the contest, the players will select their choice of the most sportsmanship guy on the squad throughout Spring Practice, whose name will appear on the J. Tilden Abrams Perpetual Sportsmanship Trophy for the '48 season.

Incidentally, Radio Man Bill Brennan is trying to get an OK to broadcast the contest over campus station KHSM (FM).

NUTS FROM HERE AND THERE

All that publicity about the celebrated jumping frogs contest for Frontiers Day, and the confounded owners from Angel's Camp didn't even show.

Willie Van Heuit, the Cincinnati Kid, showed up on the campus the other afternoon just long enough to dig up some of the grass around the frosh diamond in his "warm" rod.

Johnny Vergez stepped over to watch the frosh for a couple of innings, and the Phoenix commenced to mess and stew around when they were up for batting practice! And if them guys need anything, it's some hitting.

ANOTHER STORY OF GEORGE

Last weeked, it seems that "Apples" Kudelka had a sweet date lined up, and he needed a corsage.

Who did he think of but George Arabian, the budding carnation, only with muscles.

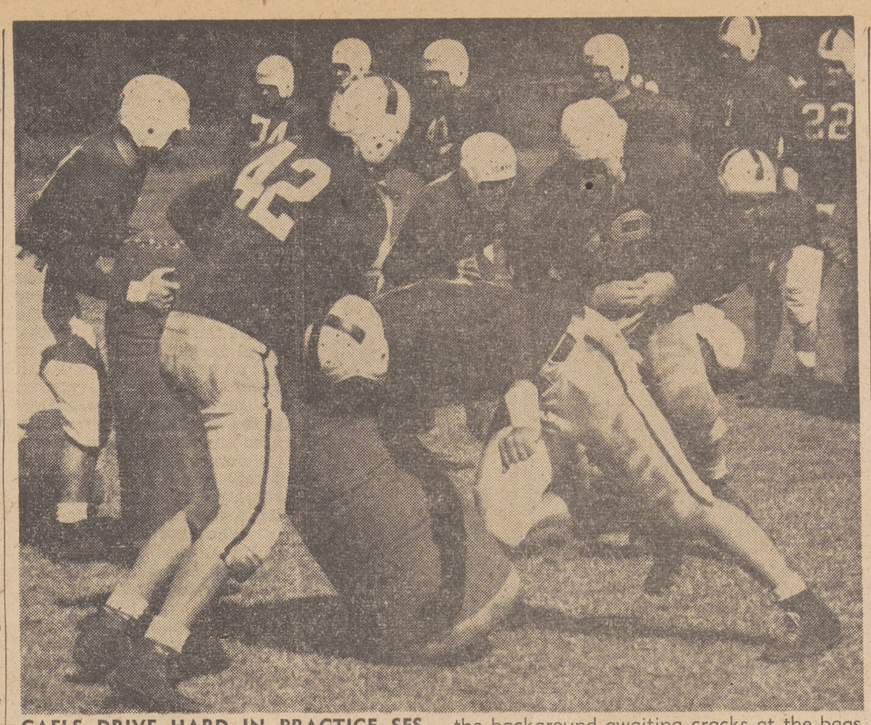

Says George, "Tell you what, I'll get you a loveliest orchid."

So "Apples" calls at the Powell Street flower shop, and is amazed at the huge box that the loveliest orchid is in.

When he gets the box open, he finds a small, pale looking orchid inside, that is buried among ribbons, which must be the New Look for ribbons as it comes down to here.

"Apps" did the only thing that any red-blooded male would do. In the midst of the first dance, he smashed the dinky flower with his left shoulder, so's people would think that there is an expensive orchid only its smashed.

Ends the story of getting loveliest orchids.

GAELS DRIVE HARD IN PRACTICE SESSION. It's, "Ugh" as Ben Petersen lays a shoulder to the blocking dummy supported by Art Verge in an afternoon workout. In the background awaiting cracks at the bags are Fred Fisher (48), Ted McNulty (16), and Nelson Tuitelli (29). Work such as this has dominated the varsity spring practice.

Sluggers Lead In Intramural Softball Fray

All softball captains are requested to turn in a list of all available dates and times during which they can play the games that were rained out early in the season. These lists must be turned in to Room 316, center dorm. Just slip them under the door.

Despite the late rains which played havoc with the first week of schedule, the intramural softball teams are now fighting it out for top honors in the league.

To date, the Mudville Sluggers are leading the league under the able leadership of Captain Eddie Garro and aided by the spectacular play of catcher Al Silva. It was through Silva's play that the Sluggers were able to sneak by the Peraltans by a score of 8-6. Incidentally, this was one of the best games played this season.

Close behind the Sluggers come the Juniors led by the slugging Gene Witteman. Other boys to watch on this team are Soulages and Welsh.

FOUR TIED FOR SECOND

The race for place position at this point is quite a struggle. The standings up to May 11 show that the Meteors, the Amadors, the Dante Club and the Senators are all tied for second.

Captain Bill Gabrielli's Senators appear to be the dark horse in this year's race. Since the loss of their initial contest, they have been coming fast. The Senators are led by Dick Gailbreath, their home run king, Bob Osgood, Tom O'Neill and Jim Lahey.

League standings up to May 11:

	W.	L.	Pct.
Mudville Sluggers	2	0	1.000
[illegible]	1	0	1.000
Meteors	2	1	.667
[illegible]	[illegible]	[illegible]	[illegible]
Dante Club	2	1	.667

Dingleberries	0	3	.000

Footballers Scrimmage Tomorrow for 'Rehearsal' Of Red and Blue Game

Tomorrow, the 22nd day of Spring practice, the varsity footballers, 50 strong and backed by 30 additional reserves, will engage in their fifth scrimmage of the short session in what will be a dress rehearsal of the Red and Blue game a week from Sunday.

The next week will be devoted to polishing the offense with special attention on footwork, along with two or three days of contact work.

Athlete Of The Week

For consistent good golf as the Gaels number one divot digger, the Collegian presents frosh Ronnie Patten as the ATHLETE OF THE WEEK.

Patten, who has been handling the clubs since he was five years old, scored his all-time best on the Richmond links this year, when he carded a three under par 69.

Ron came to Saint Mary's in the Fall of '47, and enlisted in the school of Business Administration, commuting each day from his home in nearby Orinda.

He is a graduate of Acalanes High School, where he got a letter in swimming.

As is the case when a new formation is thrown at a group of athletes, the footballers are at the stage where they are forgetting some of the original instructions.

Verducci stated: "It's not only the new stuff, but also that we have been purging the group of many mistakes."

QUICK AND SHARP

He added, "We are building on a basic set of plays, striving for smoothness and efficiency in offense. I don't have to tell you that we are mighty pleased with the blocking and tackling; the boys have a real desire to win."

From Verducci's conversation we also gathered that his main concern is to get the offense to move quickly and sharply, and to make of the defense a grinding machine.

He stated further that the team will be on a par with at least four of the opponents on our schedule; and that's a promise.

SKULL PRACTICE

The footballers have been on the gridiron for 21 days now, with one-half hour devoted to skull practice each day, and the follow up of three hours on the field.

During the noon hour, the coaching staff throws various plays at the guys for a half hour, and they are required to take the information down on notebooks. About every week, the staff springs a test on the footballers, which has caused many to remark, "When are we going to get units for this."

Backfield coach, George Arabian, will give an orchid to the mother, wife or girl friend of the guy who turns in the neatest, most complete notebook. At present, Sherman and Russell have the lead on the orchid.

During the summer, the footballers will be expected to keep themselves up on the T formation by frequent reference to their notebooks.

'Punchy' Phoenix Propped In Cellar; Slate 3 Tilts

Frosh Nine Upset By Broncos; Win Over USF and Cal; Face 3

Upset by the colts from Santa Clara, the Saint Mary's frosh face three squads this week in an attempt to bolster their 18 wins against 2 losses thus far.

Coach Kenworthy's baseballers meet Emeryville High here today, and host Vallejo College on Wednesday.

In between, they journey to the Don campus for a Tuesday afternoon contest with the USF frosh in the second of a two game series. Last Thursday, the junior Gaels triumphed over the Donlets 5-0, behind the four hit pitching of Ned Knezovich.

WHIFFS 16

Knezovich, showing an uncanny wizardry over the USFers, whiffed 16 batsmen while his mates played errorless ball.

On Friday, the freshmen beat the California Yearlings 5-4, s Ken Figeroid t.irled six hit ball. Shortstop Billy McLaughlin singled home the winning run in the eighth inning.

SURPRISE UPSET

Santa Clarans pulled a surprise last Saturday as they got to Don Ferrarese, ace of the frosh staff, for 7 hits and 9 runs to win 9-7. Four errors paved the way for the colts victory, and left the Gael-Bronco baseball series rivalry at one game apiece. Previously, the junior Gaels eeked a win over the Santa Clarans 10-9.

Following are the line scores:

		R.	H.	E.
U.S.F. Frosh	000 000 000	0	4	2

Santa Clara, Stanford, Vallejo Test Phoenix Nine

With a lease for the league cellar almost secured, the Saint Mary's Phoenix move into the final two weeks of play with three games scheduled for this week.

The high-riding Santa Clara Broncos, victors in their last four contests, host of the Geals at Washington Park in Santa Clara on Friday night.

BRONCOS HUSTLING

Santa Clara, a hustling ball club, added another win over California recently to all but eliminate the Bears as pennant contenders. The win gave the Broncos a two to one edge in their California series.

At present, the Gaels and the Broncos are all tied up in their series with a win apiece. The Gaels won the season opener 3-2 behind the five hit pitching of Carroll Canfield. Santa Clara retaliated in the second game to completely rout the Phoenix 10-0.

TOSO TO PITCH

Hal Toso, the Broncos new pitching sensation, should see mound duty Friday against Jack Rial who will pitch for the Gaels.

Tuesday, the campus will get its first glimpse of Stanford and league baseball. The Indians who are in fifth place in the standing, one step ahead of the Gaels, have a decision over California to show for their recent efforts.

Don Dahle, top Stanford hurler, at present is slated for the Gael assignment.

Saint Mary's travels to Vallejo Sunday to battle the Vallejo merchants.

Starting lineups for the Santa Clara game:

ST. MARY'S	SANTA CLARA

Golfers Close Out Fine Year

Saint Mary's golf team closed out their season at San Jose yesterday in a match with Santa Clara. The scores arrived too late for publication.

Previously, the Gael sextet had the Broncos 11-1, when the rains came and washed out the remainder of the matches.

However, since the Broncos defaulted on a return finish to those matches, Jack Christensen stated that the Gaels have taken credit for a victory.

Last Tuesday, on the Richmond links the divot diggers thumped University of San Francisco 22½-4½, with number one man Ronnie Patten shooting best ball of 74 to lead the Gaels to victory. The win gave the golfers eight wins in ten matches excluding yesterday's Bronco match.

Coaching Staff to Hold Clinic for Grads

The Athletic Department of Saint Mary's College announced today that they are going to hold a coaching clinic June 25-26-27, for all Saint Mary's graduates working in physical education.

The three day clinic will be conducted by head coach Joe Verducci, and is intended to acquaint graduate coaches with the work of this football staff in particular, and in the techniques of the T formation.

'Babe' Signs With Reds

William "Babe" Van Heuit, former Gael football and baseball star, signed this week with the Cincinnati Reds of the National League.

Salary terms were not released.

Van Heuit leaves tonight for Cincinnati, where he will go on a 10-day road trip with the big leaguers, and then report, probably, to Columbus, North Carolina, in the Cincy farm system.

As We Go to Press:

Saint Mary's netmen meet University of Santa Clara at Davies Courts in Piedmont, which could be the netsters' first victory this year.

Gael divot diggers close out their season against the Bronco sextet at the Richmond links. Previously, the Gaels led the Broncos 11-1 in a match that was canceled due to rain.

MENTOR JOE'S GREATEST DAY

By BOB FITZGERALD

Not one to talk about himself, we finally cornered Joe in his office and asked him to tell us of the game that gave him his greatest satisfaction.

"It was in the fall of 1932 and Cal was meeting a very good Georgia Tech team. I played blocking quarterback, at 162 pounds, in the single wing style of the late Bill Ingram. On the team were such greats as Hank Schaldach (who starred in the East-West game of that year) at halfback, Bill Jones at end, Red Christie, one of Cal's all-time greats, at guard, and many others.

"Tech had a terrific center, who made All-American, in a fellow named Pund. They were luckless that day; we ran over them 25-7."

EVERY PLAY A GOOD ONE

"Everything we did seemed to work. I played 48 minutes and every one of them gave me a thrill. Everything I called worked out just right.

"After we had scored one of our touchdowns we lined up for the place kick. As I got down to hold the ball for the kicker, the center snapped the ball. Just as the ball came into my hands, I stood up. The kicker went through the motions of kicking as I scooted around end, untouched, and scored the extra point. A play like that took everyone by surprise because it was the first time a play like that had been pulled around the Bay Area.

"I played safety in that game and ran a couple of punts back into scoring position. But the biggest thrill I got that afternoon was calling signals. Quarterbacking that day seemed as easy as rolling off a log. Everything went right."

Trojans Best Gaels' Trestler in 5-4 Game

Bob Trestler, Gael pitcher, hurled two innings against the U.S.C. Trojans last Friday and lost the ball game when Gale Henley slammed out a home-run to breakup a 4-4 tie.

Jack Rial, Saint Mary's starting pitcher, had the game well under control until he was lifted in the eighth for a pinch hitter.

ERRORLESS BALL

The Gaels played errorless ball but could touch pitcher Wally Hood for only five htis and four runs.

Short score:

Saint Mary's	100 010 020	4	5	0
Southern California	020 001 011	5	7	2

Batteries: Rial, Trestler (8) and Dembecki; Hood and McKelvey.

Gaels Drubbed 10-1 By Trojan Sluggers

Saint Mary's Gaels were able to touch Trojan Dick Bishop for only five hits in the second game of the series Saturday. The final score: Saint Mary's 1; U.S.C. 10.

TROJAN HOMERS

Hank Workman and Gail Henley for the winners both hit home runs while their teammates managed to put together ten other assorted hits.

Carroll Canfield pitched four innings, just enough to allow the Trojans to garner six runs that were enough to defeat him. Relief hurler, Hank Decker could do not better giving up an addition four runs.

Short score:

Saint Mary's	010 000 000	1	5	4
Southern California	042 111 10x	10	12	4

Batteries: Canfield, Decker (5) and Dembecki; Bishop and Zuber.

For A Better Understanding

ON MONDAY, May 16, the Christian Brothers will celebrate their 100th anniversary of teaching in America.

On that day masses will be offered in commemoration of a century of progress; a century of trial and error; a century dedicated to the founding of Christian Brothers' schools all over the United States.

It is not only this educational process which makes this celebration such a notable occasion, but rather that the Christian Brothers have combined religion and education, and infused within American youth a fuller understanding of life.

Through a century of strife the Brothers of the Christian Schools have given American youth a true perspective in the highly fluctuating society which makes up the United States.

Through the Industrial Revolution, the Civil War, the opening of the west, the Spanish-American War, and the two great world wars, the Brothers have been on hand to guide their pupils to a better understanding of each other.

From the small number of Brothers who braved the difficult journey to the new world, an impressive educational organization has arisen.

There are 43,183 students taught by 1,592 Brothers in 102 schools within the United States. The Christian Brothers' world organization has a total of 390,722 students taught by 14,207 Brothers in 1,329 schools.

These figures indicate the tremendous development which Catholic education has taken, both in the United States and the rest of the globe. The Christian Brothers have largely been responsible for this upward curve of Catholic institutions.

Men such as Brother Justin and Brother Bettelin gave example to the followers of Saint John Baptist De La Salle. They had a pioneering spirit; a spirit of conquest. They subordinated themselves to Christ and to the teaching of youth.

It is obvious that their self-sacrifice has not gone in vain.

On the threshold of a second century of progress, the Christian Brothers can look back with pride to their accomplishments. They can go forward infusing a still greater love for Christ and humanity within the youth of this country.

'Carry a Big Stick'

THE startling announcement on the part part of the Russians to pursue a ". . . policy of peace and cooperation with the United States . . ." should be taken with the proverbial grain of salt.

For two years, after infinite conferences, vetos, stalemates, and world crises, this latest Red attempt to ". . . work for peace . . ." merely sounds like another propaganda move, the purpose of which remains obscure at the moment.

The only way which one can determine the actions of another is by past performances. This requisite is applicable to any situation, and must be particularly considered in the present state of affairs.

What have been the past performances of the Russians? They have the Czechoslovakia coup d'etat to their credit. They have the attempted Italian government overthrow; the merciless usage of the veto; the various "incidents" created to cause fear and confusion in America.

These factors stand as evidence of Russian "cooperation," and as a basis for "discussion and settlement."

Thus far the Russians have not worked with the United States on even the most minor points of peace. They refused to cooperate on the Marshall Plan, thus forcing America to bear the prodigious cost of the food plan almost single-handed.

They snagged conferences by quibbling over the usage of terms; and they have succeeded in creating a war "mania" by their incessant propaganda.

Of course all efforts should be made to test these new Russian proposals. If they are sincere, that sincerity will be reflected immediately.

American statesmen have become totally aware of Russian trickery. After two years of conference table arguments, these authorities will sense the absolute worth and purpose of Russian peace plans.

Meanwhile, the advice of Teddy Roosevelt should be followed—". . . talk softly, but carry a big stick. . ."

A New Program of Studies

THE tentative course of studies offered for the coming semester is another indication that the Saint Mary's faculty is moving towards a better understanding of student problems.

The addition of a Physical Education department and a Journalism department will round out an already extensive curriculum. These two departments open up new fields for those inclined towards these particular phases of education.

Brother Lambert has seen the need for a more complete course of study. With the help of a faculty committee he has formulated a program of studies that is truly comprehensive.

The new plan also includes the setting up of a labor department for upper-division economic students. This course will enable students to gain actual experience in labor problems while still in training.

The establishment of new courses follows the plan laid down by Brother Austin last semester. At that time he promised a closer relationship between students and the faculty.

These promises have been kept.

It is hoped that students will take advantage of the improvements.

Frontier Day was an interesting little affair, and we believe that some of the Day's high points should be cited:

A.—The Holy Names Society's one armed bandit concession which really raked in the cabbage under the able direction of Father "Bones" Moss. . .

B.—Larry Garetto's unusual but allegedly phoney beard, (Bradvica swears that he saw the marks of mascara or an eyebrow pencil augmenting Garetto's hairy entry.)

C.—The extreme amount of gall that was displayed by "Little Buchenwald" (The chow hall to you) in charging the guests six-bits for that symphony in salami that they splashed on the plates last Thursday at 6.

D.—The fact that the dance that evening sported a band that wasn't Rhumba, Samba and Conga crazy. . . . I had almost forgotten what American music was like.

E.—"Lushwell" Westervelt at the dance. . . . If you didn't see him that was okay. . . The feeling was mutual.

F.—The panting throng of lovers lingering by the microphone looking longingly at the vocalist provided more than a few chuckles.—Co-education can be such a beautiful word.

The Bystander

By FRANCIS X. SANCHEZ

Last week there appeared in the COLLEGIAN a "Letter to the Editor" bringing to light the faculty's consistent refusals to allow a journalism department, despite the fact that two qualified men have volunteered their own time to teaching it. The situation, believes the writer, is most mysterious.

Not knowing what this crusader has actually done toward securing a journalism department, I cannot criticize, but if all else has failed, he might stop to consider that perhaps there is actually strength in numbers.

If the faculty could actually see an organized group interested in journalism, and listen to their arguments, it might put an end to incredulous thinking and perhaps make a move toward establishing a department for future journalists.

He may counter with the argument that the Fourth Estate is the established journalistic organization and should undertake any drive toward future classes.

Forget it! The Fourth Estate is a dying organization held together by a few interested and capable men. So, it is up to you Mr. Crusader to back up your words with—not a little—but a great deal of action.

What has happened to the anonymous writer or writers of the all-insulting "Eye" and "Sentinel"? It is foolish to even consider that they or he has lost nerve or have been scared away. Perhaps there is just no time, with campaigning and all. . .!

Will next year be THE year for St. Mary's? That seems to be the question in the minds of most of us these days.

Well, by all appearances, it will at least be a more enlivened two semesters than the ones about to close. I believe the crux of St. Mary's gloominess ended with the third quarter.

We have a promising administration, an equally promising football team—though it should not be overrated—and, most important of all, a student-body that is beginning to pick up and look around.

The outgoing administration certainly has not failed in any respect. The fault was with us, the student-body. We failed to respond to any amount of incentive, until the close of the third quarter when we suddenly came to life and realized that St. Mary's was still a No. 1 college, and we as its citizens were failing badly in helping to "put it on the map."

Let us hope that the Fall semester will find a rejuvenation of what the "old-timers" call the St. Mary's Spirit. If not, we're right back where we started.

A moonlight cruise on San Francisco bay! A bouquet to the seniors for climaxing the social year with such an unusual "bit of diversion." Here is hoping that the cocktail lounge closes early lest we lose a few members of our celebrated campus in mid-bay.

A bouquet also to those students who are showing so much interest in the recitations to Our Lady.

It seems that someone became tired of listening to the loud-mouths yelling about Communism and decided to do something about it. That's what I mean by the New Spirit.

Forgive me if this ceased to be newsy weeks ago, but a little steam worked off is just about in order now.

I am refering to the clause in the draft bill that only veterans who spent 12 months in the service—EXCLUSIVE OF TRAINING—will be exempt. That means it is possible for a man to have spent even up to 18 months in the service, and still be eligible to be drafted.

In other words, some who lost two or three years time being juggled around by the white-whiskered benevolents in Washington are expected to go back in and sweat out a couple more years.

At this rate, some unfortunates will be receiving their degrees about the same time they would be eligible for the Old Age Pension! Even in war, there should be a point of fairness, not only to the student, but to the hard-working young men in the world as well.

Going into the service with as yet no time lost is one thing, and going in with two or three years already lost in another. God help the working man!

Eight Saint Mary's men last week-end acted in a play presented at Mills College. Given by that school's Drama Association was Thornton Wilder's **Our Town**, which not too long ago won the annual Pulitzer Prize.

Wilder's masterpiece is a difficult play to give, a work subtle in its implications and of astonishing and lasting impact. Under the capable direction available at Mills, one could have expected an impeccable interpretation. Unfortunately, the handicaps under which such work is done in a small college were evidently overpowering.

ACTORS IMMATURE

One had the impression that either the players had passed their peak, or else they had never reached it—one could not be quite sure which alternative was manifested. Some two months of time had been put into rehearsals by the actors, requiring the complete perversion of their study schedules and perhaps permanent damage to the academic quality of the work done them, and the results were, frankly, not worth the effort.

Certainly the evening was not unpleasantly spent in seeing the play, especially if one had not seen it before. But even to the most casual playgoer it was evident that, with some few notable exceptions, the players understood neither their parts nor the play as a whole. For this reason the first act was slow and the last impossible. The second act alone was good.

The anomaly is easily explained when one realizes that the second act deals with adolescent life leading to marriage, a period in life with which the youthful amateurs are thoroughly familiar. Thus the act was well presented. But the first act, dealing with the generally drab and complacent background of the New England town, and the last, dealing with the dramatist's philosophy of death, were not reducible to undergraduate terms, and an immature production resulted.

AUDIENCE SMALL

In general, the actresses were far superior to their male counterparts. A fine job was done by Jim Doyle as the town's drunken choirmaster, a performance whose excellence carried over even into the third act. In the second Bill Brennan as the young George Gibbs gave a creditable rendition.

That more Saint Mary's men did not witness the play is the fault of those who participated in the production. No publicity was given to it on the campus, an inerita due either to lack of initiative or to a desire to keep their fellows from becoming too acquainted with Mills on the part of the eight involved. The house was only a quarter filled, which is in itself enough to discourage both the players and those who did sit in the audience.

One might conclude on a more pleasant note by referring to the settings, the music, the costumes, the make-up and the design in general, all of which were quite adequate. Only the lighting was poor, the lack of dimming facilities making the change from light to dark too brusque.

College Comments

By PAT HENDERSON

For nigh on to two years I've silently endured a constant "chipping" program aimed at the now declining British Empire. It has come from varied sources and has a patchy background. This will be, in all likelihood, my last opportunity to express myself on the subject so leave me proceed with venom.

In the first place: To those who resurrect old skeletons in the British Foreign Office to rattle warningly: "Let him who is without sin among you be the first to cast a stone at her." John 8:7.

To those who grudge the aid to Britain for reconstruction of war losses: "Give to every one who asks of thee, and from him who takes away thy goods, ask no return." St. Luke 6:30.

As I said before the motives behind this seemingly universal backbiting are varied. They rise from:

A. Transplanted Irishmen. To those sons of Erie who still envision in Britain a threat to world fredom let me point out that mistaken as she might be there were 250,000 Irishmen in the British army in this last war and I have never heard them as bitter as the Home Product here in the west. As a matter of fact I just received a letter the other day from an old Buddy, ex-Irish Fusileer John E. Kennedy who is now working in Southampton and he says, "Paddy, my friend, what are you people sore about? We won didn't we?" That expresses my opinions in full.

B. Arm Chair Generals. There is a large War Party now extant headed by Ralph Ingersoll which purports to show Montgomery was consistently a poor tactician and generally a silly ass. However it seems that Montgomery was winning victories in North Africa before we got there in force. Why is this? To what does Mr. Ingersoll et al attribute this fact:

Another popular criticism concerns the cautious policy pursued by the British staff in offensive operations. However let me point out that when line replacements have crossed eyes, three fingered hands and other sundry handicaps it indicates:

1. The source of manpower is running low.

2. The staff better start hoarding manpower. This is no time for gallant secrifices.

C. Thirdly and lastly there seems to be a great deal of anglo-phobia arising from a sincere belief that the British were absolute **Black Dogs** during the unpleasantness, 1775-81. As a matter of fact both sides had their points and at times both acted with great courage. Nevertheless it was no more of a Holy War than many preceding or subsequent wars were.

My own personal observation of the average Britisher is that he is extremely easy to get along with but not particularly familiar. More inclined to talk about his rights but exercise his duties, rather satisfied with his place in life and very tenacious about keeping what is his.

Having had my say on the Angle, Jute and Saxon question let me pass on to greener pastures. Namely: Westbrook Pegler. I have no idea how many of you may have listened to Henry Wallace Tuesday night but he brought up a rather repellant article from an even more repulsive columnist, our friend Westbrook. Westbrook felt that the sit-down strikers in the recent Stock Exchange clerical strike in New York City should have been CLUBBED into compliance or he says they may even be killed to benefit the common welfare. For anybody folish enough to swallow tripe of this sort let me refer them to an editorial by Father Tappe appearing in the Catholic Monitor the last week in April. Probably the only point in Wallace's speech I agreed with was his dislike of Pegler. After those silly Guru Letters I guess Henry is rather peeved but this latest crack of Pegler's is really too much.
